

Health and Safety Policy

'The Living Difference' - At Universal Homes we are proud of our history and commitment to continued innovation, design excellence, value for money and future proof building solutions for communities within all our Auckland based Estates and surrounding regions.

We are committed to the provision of a safe and healthy environment for our people as far as is reasonably practicable, that ensures a framework and commitment to:

- Setting measurable health and safety objectives.
- Fulfilling relevant legal and other requirements.
- Eliminating health and safety hazards and reducing risks.
- Continual improvement of our health and safety management system.
- Consultation and participation with, and representation of our people.

This policy will be implemented and followed by all our people employed at Universal Homes.

This policy will be communicated within our organisation and made available to interested parties, as appropriate.

On behalf of the Executive Team:

Andrew Crosby
